Non-burnable garbage...once a month

● Small consumer electronics (shorter than 40cm in length)

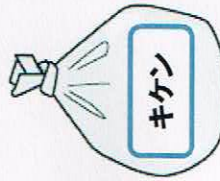

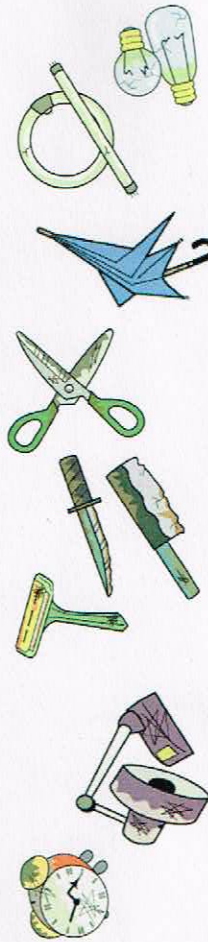

● Ceramics • Glassware

Put in a white or semitransparent plastic bag. (Plastic supermarket shopping bags or something similar.)

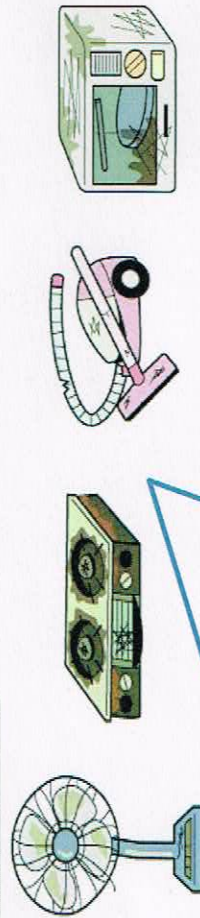

● Other (compound material products • light bulbs • fluorescent tubes • hazardous garbage)

Wrap dangerous items in paper ⇒ Put them in a plastic bag and write "キケン" on the plastic bag.

Large garbage...once a month

Place at collection point by 8:00 AM

Items more than 40cm and less than 1m in length, and weighing less than 20kg.
※ Please fold each FUTON separately and as small as possible.
⇒ Then tie with string in a crisscross.

Please do not leave these things at the collection

Oversized garbage

Oversized garbage (more than 1m in length or weighing more than 20kg) WILL NOT be collected.
※ Bring them directly to Miki Town's "CLEAN CENTER". (there is a fee for oversized garbage.)
